Goed opgeleide buurtbemiddelaars helpen u en uw buren om samen te praten over oplossingen.</p> <p>Zo doen we dat U belt naar buurtbemiddeling om uw overlast te melden. De buurtbemiddelaars maken vervolgens een afspraak om bij u thuis langs te komen. De bemiddelaars nemen de tijd om naar uw verhaal te luisteren. Daarna gaan wij naar uw buren. Wij horen ook graag hun kant van het verhaal. Als de buren met u in gesprek willen, dan gaan we een bemiddelingsgesprek regelen. Dat gezamenlijke gesprek gebeurt in een buurthuis of op een andere neutrale plaats. Met onze hulp kunt u samen dingen uitpraten en goede afspraken maken. De bemiddelaars helpen met dit gesprek. Zij zijn neutraal en onpartijdig en hebben geheimhoudingsplicht. Een paar weken na het bemiddelingsgesprek bellen we beide buren op om te horen of de gemaakte afspraken goed zijn verlopen. Als het niet goed is gegaan, dan kijken we wat er nog mogelijk is zodat u beiden fijn kunt wonen.
